Prom Night: H2O Style

This isn't actually a story, I just made a collection on Polyvore and I wanted to get some feedback. This is my idea of what prom would have looked like for the characters of H20, if money wasn't an option of course! It's all cannon and no particular season. Kinda 2 and 3 though. If, very very very big if, I have enough people who want to read it, I might write a story to go along with it.

Thanks everyone! :) Check my profile for the address!
